

EXPRESSO'S PROFESSIONAL All-Rounder Hand Trucks

SHORT SKID UNIT:

- more compact
- takes up less space in a van
- 250 kg carry capacity

LONG SKID UNIT:

- much better to navigate kerbs and steps
- 300 kg carry capacity

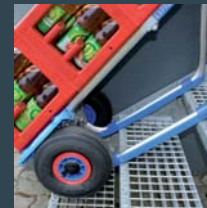

Elliptical aluminum frame, weight saving and reinforced in the direction of strain. Durable weld-free frame.

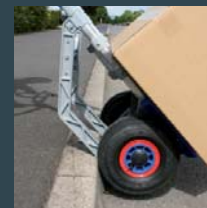

The optional advertising panel helps to protect your property and promotes your company's image.

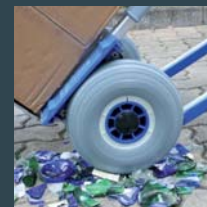

EXPRESSO's ergonomic Dog Ear Handles provide a secure grip and an optimum control. Knuckle guards protect your hands from injury.

Replaceable wear-strips, for smooth negotiation of steps and kerbs.

The rear support skids make kerbs and steps easy to negotiate while protecting fragile loads.

Smooth running wheels, precision ball bearings, dust proof and maintenance free. Optional puncture-proof wheels

The closely grooved foot-plate prevents load from slipping sideways. Choose from a range of footplates.
